BRIEF ABSTRACT OF LETTER.

U | With refer. to G.O. No. 8334-8-med. 105-13-8 dated 30-4-15, requests sanction to the proposal of the District Board that a new building may be constructed for the Local Fund Dispensary at Hariharpur instead of incurring a heavy expenditure of Rs. 2319/- as estimated by the Ex. Engineer, Chitaldrug Division, for the repairs of the old Faleh Cutcherry building for a temporary purpose as directed in the above G.O.

NOTES AND ORDERS.

* Y | It will be seen from the linked file med. 105-13,
@ W | that there has been a move both by the Dy. Comr. and the District Board for the construction of a new building for the L.F. Dispensary at Hariharpur. But as the building

in which the Dispensary was located was long condemned, it was deemed expedient to shift it to the old taluk Cutcherry building without further loss of time, vide notes on page 6 of med. 105-13, and the order of the 30th April was accordingly issued.

2) The cost of rendering the old Taluk Cutcherry building fit for a Dispensary was estimated between Rs. 1200 and Rs. 1500, by the Ex. Engr. Chitaldrug Division. The Estimate for the same purpose is said to go up to Rs. 2319 now. In consideration of the large amount required for the repairs alone, the Board have resolved that a new building may be constructed.

S 1

3) It is not stated whether the Dispensary has been removed from the condemned building but perhaps it has to be presumed it is where it was.

4) It may perhaps be advisable to call for an estimate (detailed) for the construction of a new building on the model of the existing dispensaries, ~~on receipt of which orders may be issued~~

5) Submitted for orders.

6) I would certainly welcome the proposal for constructing a pukka dispensary building with in-patient wards on the type design, which will cost Rs 11,500/- as fixed by the Public Works Department, and since the Deputy Commissioner promises to induce the District Board, Chitaldrug, and the Harihar Municipality, to provide the necessary funds, the Government may kindly sanction the proposal of the District Board. It is however necessary that the work should be taken up and finished as early as possible.

S I R,

Adverting to Government order No.8394-8/Med.105-13-8 dated 30th April 1915 directing that until a separate building is made available, the Local Fund Dispensary at Harihar be located in the Old Taluk Cutcherry building after effecting necessary alterations and improvements to the said building, I have the honor to state that for the improvement of the old Taluk Cutcherry building an estimate for Rs 2319 was received from the Executive Engineer Chitaldrug Division and the same was placed before the meeting of the District Board on 26th November 1915. The Board was of opinion that a new building might be constructed for the Local Fund Dispensary at Harihar instead of incurring such a heavy outlay as 2319 for the repairs of the said old building for a temporary purpose.

The estimate has therefore been returned to the Executive Engineer intimating the resolution of the District Baard in the matter.

The District Board and the Harihar Municipal Council will be asked to provide funds for the new Dispensary building in their budgets for 1916-17. I request that the proposal of the District Board may be sanctioned(Vide copy of the resolution enclosed).

I have the honor to be,

Your most obedient servant,
C S Balasundaramayya
